

# FETZER

REBELS SINCE 1968

## 2012 EAGLE PEAK MERLOT

### OUR PHILOSOPHY

In 1968, with rebellion in the air, Barney Fetzer started a revolution of his own. Through creativity, passion and lots of hard work, he blazed a trail to sustainability. His philosophy was simple - earth friendly grapes are better grapes, and better grapes make better wine. It wasn't easy to buck a century of tradition and inspire an entire industry to change, but doing the right thing seldom is.

### NOTES ON THE WINE

This Merlot has a deep, rich ruby color. Warm cherry aromas are accented with notes of mocha, red licorice, sage and toffee. Soft, round tannins make this wine easy to drink with flavors of black cherries and plums, balanced with caramel and toffee.
