2013 SAUVIGNON BLANC

REBELS SINCE 1968

In 1968, with rebellion in the air, Barney Fetzer started a revolution of his own. Through creativity, passion and lots of hard work, he blazed a trail to sustainability. His philosophy was simple - earth friendly grapes are better grapes, and better grapes make better wine. It wasn't easy to buck a century of tradition and inspire an entire industry to change, but doing the right thing seldom is.

NOTES ON THE WINE

This Sauvignon Blanc has the traditional aromas of cut grass followed by melon, orange, pear and apricot with tropical notes of passion fruit and mango. Jasmine and other floral aromas add interest to the wine. The balanced acids give this wine a wonderful mouth-feel, with the predominant flavor of grapefruit.
