2019

MERLOT

WINEMAKING NOTES

Merlot's silky-smooth texture and vivid red fruit define this elegant California red. Cooler temperatures lengthened the growing season throughout California in 2019, giving the fruit more time on the vine to develop greater depth of flavor. The wine was fermented at warm temperatures in stainless steel, with malolactic fermentation enhancing its velvety mouthfeel. Aged with a mix of French and American oak, this Merlot delivers subtle toasted oak tones alongside rich, dark berry notes.

TASTING NOTES

This fruit-forward Merlot has depth and smoothness in spades. It's the perfect any-occasion red, with a crowd-pleasing combo of luscious red fruit, chocolate, spice and oak. Heady cocoa and coffee aromas swirl from the glass, leading to a berry-rich palate that is soft and inviting. Firm, yet elegant, tannins support a backbone of toasty oak and a long, supple finish.
